The Suzuki Talent Education Association Australia (NSW) is a registered training organisation responsible for the continued professional development of our teachers. This means that we often film, photograph or record STEAA(NSW) activities both for our own records and for training of our teachers. We also feature photographs of our events for all to share in our quarterly magazine, *Tempo*.

By joining the STEAA (NSW) you are deemed to have given permission for photographic, audio or video footage of your child(ren) to be taken at our events for use in the manner described above.

Dr Suzuki's message to us was ensure that our children are "Nurtured by Love". All our events are held within that framework and any recording is done to share and support this message.

When filling out the form please take care:

If your surname is different to your child's be sure to make that clear on the form by filling in the parent name and the child's name fully, otherwise we will assume you have the same surname.

Music is a language of the heart

SUZUKI TALENT EDUCATION ASSOCIATION AUSTRALIA (NSW)

WHY JOIN?

Attending Suzuki events like workshops, concerts, Summer Schools etc is central to success in the Suzuki Method as they provide the unique Suzuki environment that supports and nurtures your child's learning.

The STEAA works very hard to provide the best experiences possible for its members, and as a member you are covered by our insurance at all events.

The STEAA also trains and provides ongoing support for all its teachers which ensures that Suzuki families receive the best possible Suzuki teaching.

Most importantly, membership ensures the future viability of our organisation.

Let us make it that every studio, every teacher and every family supports our Association and our office one hundred per cent. Your child's environment can only be improved by this support. Please join the Association now and remain a member every year your child is learning from a Suzuki Teacher. With your continued support we can keep our running costs to a minimum and provide the best possible experiences for your family.
